

## REFORM CC SEASON 2022/23

**With the purpose of encouraging all Reform Games to be played to a minimum of 8 ends, as discussed at the Skips Meeting, the committee is proposing that all games recording at least 8 ends of play, including blanked ends, be factored up to 10 ends plus 10%. All games recording 7 ends, or less, would be recorded under the existing system, factored to 10 ends.**

**The sample scorecards below illustrate the effects of the proposed system. The points awarded, and shots recorded, would remain as the present system. Cards 5, 6 and 7 show the potential rewards for taking a 5/2 end game to either 5/3 or 6/2, with the resulting bonus applied.**

Proposed System		Card			1	8 end	ADJUSTED	TOTAL
